LEARNING STYLE INVENTORY

Name _____ Date _____

I. Place a check in the blank in front of each activity that you enjoy.

I learn best when I:

1. _____ read on my own.
2. _____ repeat aloud.
3. _____ rewrite my notes.
4. _____ look at maps and charts.
5. _____ make charts and graphs.
6. _____ participate in a class discussion.
7. _____ debate an issue.
8. _____ watch a movie.
9. _____ tape record my teacher.
10. _____ finger-spell words.
11. _____ describe something to someone else.
12. _____ check off the key points in a list.
13. _____ solve word puzzles.
14. _____ role play.
15. _____ survey the reading material first.

II. Circle the number of each activity that you checked. For example, if you put a check next to number 5, "make charts and graphs," circle the number "5" here in the *kinesthetic/tactile* category.

Visual: 1, 4, 8, 13, 15

Auditory: 2, 6, 7, 9, 11

Kinesthetic/Tactile: 3, 5, 12, ~~16, 18~~, 14, 10

III. Determine what type of learner you are by counting the number of responses in each category. The category you chose most often is the learning style with which you are most comfortable.
