STUDENT ASSESSMENT: HOW GOOD ARE YOUR TIME MANAGEMENT SKILLS?

Here is a short list of some of the problems that many students have when they don't manage their time well. Which of these have happened to you?

1. ____ I have turned in assignments late.
2. ____ I have crammed for tests.
3. ____ I have stayed home pretending to be sick on the day a project is due.
4. ____ I have completed homework for one class during another.
5. ____ I have missed lunch to get caught up on homework.
6. ____ I have hoped my teachers would not call on me because I was not prepared.
7. ____ I have volunteered to be last during oral presentations because I was not prepared.
8. ____ I have not done my homework, but told my teachers that I did and left it somewhere else.
9. ____ I have turned in messy work because I had to rush through it.
10. ____ I have received a bad grade because I did not finish my homework.
